Care is provided **all day** from 7 am until 6 pm, Monday-Friday. **Children do not have to attend St. Luke's school to participate.** The program assists children (attending St. Luke's School) to and from preschool and school age classes when needed, and can assist school age children on and off the buses. The program also provides this service to children attending South Butler School, depending on busing routes. Below are the current rates for care:
