

Happy Advent season!

We are running a few days late already this season, but wanted to reach out to you and your families during this very special time of the year. Advent is a time to prepare our hearts and anxiously await the arrival of baby Jesus. Maybe more than any year before, we need the peace, joy, love, and hope that the birth of Christ brings! We have been thinking of you all and missing you at Sunday School during this difficult period of life. We understand concerns about returning to large groups, but didn't want to let that keep us from celebrating Advent together. We made this Advent chain in Sunday School to mark the days until Christmas. The tree can be a bit challenging, but the simple chains are just as wonderful! We are working to put together a service Advent calendar- a way to remember to serve others as we also prepare our hearts. Keep an eye out in the announcements for the daily challenges! We are also hoping to

send out a daily devotion on the symbols of Christmas- this may be either in the Facebook group or announcements.

We have been meeting on Sunday mornings while wearing our masks and maintaining our distance, but are still finding a way to learn and grow in our faith. We will be here and happy to see you when you are comfortable with joining us again!

Wishing you a blessed Advent season and very Merry Christmas!

In Christ's love,
Your Sunday School Family
